MYSORE CITY IMPROVEMENT TRUST BOARD.

Notice is hereby given that sealed tenders will be received by the Chairman, City Improvement Trust Board, up to 19th June 1916 for the following brands of cement:—

“Red-cross, Peacock or any other good English brand and Castle brand.”

The approximate quantity of cement required during the current year beginning with July 1916 and ending with June 1917 is about 3,000 barrels and the same should be supplied in about equal quantities every month. The above quantity is not, however, guaranteed.

Further particulars could be had on application to the Chairman, Mysore City Improvement Trust Board.

The weight of cement in each barrel to be 400 lbs. The cement to be fresh and uncaked, delivered F. O. R. Mysore, in good condition at supplier's risk or through an authorised agent.

The first delivery to be by the 1st of August 1916. Records of tests of analysis to accompany tenders.

The cement not to fall short of the requirements of the British Standard Specification and to have as little free lime as possible with co-efficient of contraction a minimum.

Each tender must be accompanied by a deposit of Rs. 1,000 in cash or Government Promissory Notes, as earnest money and be superscribed “Tenders for the supply of cement,” in default of which, tenders will be rejected.

The final acceptance of tender will rest with the Chairman, City Improvement Trust Board, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

The name of the successful competitor, whose tender has been accepted will be posted on the notice board in the Chairman's Office and intimated in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

On acceptance of one of the tenderers, the earnest money on rejected tenders will be returned.

Abstract Notification.

The attention of the public is invited to the Notifications dated the 5th May 1916, (published on pages 355 and 356; Part IV of the *Mysore Gazette* dated the 11th May 1916), calling for tenders up to 19th June 1916, for (1) constructing open surface drains with cement concrete in the Chamundi extension and (2) diverting the Bennaharadanahalli feeder channel in the same extension.

T. G. LAKSHMANA RAO,
Chairman.
